SUNRIDER®

INCOME DISCLOSURE STATEMENT

JANUARY – DECEMBER 2009

Sunrider International offers one of the most generous and rewarding business opportunities available. The following chart represents the average earnings of Sunrider's Independent Business Owners (IBOs) in the United States. We provide the average annual incomes for the ranks of Business Leader to Golden Master Business Leader. Income is given in US Dollars.

QUALIFIED IBO RANK	% of Total Active IBOs	Average Annual Income
Business Leader	22.81%	$20,056
Lead Business Leader	3.44%	$46,359
Group Business Leader	1.66%	$78,300
Golden Group Business Leader	0.72%	$135,958
Master Business Leader	0.08%	$158,324
Silver Master Business Leader	0.42%	$302,186
Golden Master Business Leader	0.05%	$546,360

The income statistics above are for all active U.S. Sunrider IBOs who were paid commissions during the period January 1 to December 31, 2009, qualifying at the above ranks. The above commissions do not include retail profits from retail sales. The average annual income was calculated by adding together the average monthly incomes from January to December for 2009. An active Sunrider IBO is defined as a Sunrider IBO who has purchased at least 50 SV (sales volume) worth of products in 2009. The "% percentage of Total Active IBOs" is the percentage of total active U.S. IBOs who received a commission check at the designated ranks during 2009. The average annual income of all active U.S. IBOs in 2009 is $2,925. The percentage of all active IBOs who received a check in 2009 is 25.9%

The earnings stated are not necessarily representative or typical of the earnings Sunrider Independent Business Owners can or will earn through participation in the Sunrider Compensation Plan. These statements should not be considered as guarantees or projections of your actual earnings or profits. As with any other independent business, success results only from dedicated sales efforts, hard work, diligence, and leadership.
